

# headphone hanger

## Mag-Ear: Audio Secured!

The Mag-Ear improves the headphone hanger concept. It provides a more secure and sturdy positioning for your headsets, while keeping everything clean and tidy!

## Pure Color Scheme Options

Contrasting glossy dark black with metallic silver, red and blue colors fits in any battlestations.

## Portable, User-Friendly Design

Small and lightweight, the Mag-Ear can fit into your pockets and can travel anywhere. The anti-slip silicone on the back provides more stability and protects mounted surfaces!

## Compatible with Headphones and Earphones

The Mag-Ear is compatible with all shapes and sizes of headphones or earphones. The foldable cradle design keeps headsets in place!
